

School Uniform

'Uniformity' (School Wear Shop 22-26 Handbridge, Chester, CH4 7JE) are advising that due to the current circumstances, parents **do not** leave ordering school uniform until August.

Please read the following:

“If restrictions are lifted and we can open our retail outlet, undoubtedly it will not operate as it has done in the past. At best it will be 3 to 4 people in at a time with a “one out, one in” operating thereafter. Restrictions on clothing may well include that you are not able to try on.”

With this in mind, Uniformity are encouraging families to order through their online shop as soon as you possibly can. School uniform can be ordered to school directly and collected at your convenience. Ordering early, will allow time for Uniformity to receive all orders and give parents the chance to order and exchange, as necessary.
